TUCK'S POST CARD

CARTE POSTALE

By Appointment

Castle and Cattle Market. Norwich Castle, a strong, square, solid building, is supposed to have been founded about 575 by Uffa, the first King of East Anglia. From being a royal castle and a county jail it is now used as a museum. The cattle market is an open space of some considerable extent, partially shaded by fine trees. On market-day (Saturday) the scene is of the liveliest description.
